## 22 BATTERY ST.

- 22 Battery is located in The Financial District, the largest concentration of corporate headquarters, law firms, insurance companies, real estate firms, banks, and other financial institutions.
- Excellent parking nearby with a variety of garages. Also a short walking distance to Union Square, SoMa, and The Ferry Building.
- Access to public transit is exceptional, as four BART lines stop in the Financial District, and most lines in the city's MUNI light rail and bus systems feed into the downtown core running down Market Street.

Space should be delivered as is in good working order, any improvement necessary can be amortized as additional rent.
