Since 1991, Starboard CRE has organically cultivated substantial relationships with investors, tenants, developers, architects, and accountants throughout the San Francisco-Bay Area. Locally based, Starboard agents are positioned to distinguish the San Francisco real estate market like no other, knowing the ins and outs of the city and having access to networks of more than 2,000 buildings and over 100 million square feet of space. Through these networks and unique inside knowledge, Starboard CRE makes it achievable to assist buyers quickly in finding their ideal space in one of the most unique real estate markets in the world.
